Parking Regulations
St. George Campus

PLEASE NOTE: These regulations reflect the current policies of the St. George Campus Transportation Services including the current availability of parking spaces. Should parking conditions change, Transportation Services reserves the right to modify these regulations or create new ones at our discretion. Any additions or changes will be communicated to permit holders and will be fully enforceable upon their implementation.

01 Summary of Conditions

1.1 By purchasing a virtual parking permit, the permit holder agrees:
(1) any and all permits purchased remain the property of the St. George Campus Transportation Services. As such, Transportation Services reserves the right to revoke permits due to:
   i) failure to follow regulations detailed herein as well as any future additions or modifications, and/or direction provided by Transportation Services staff via email.
   ii) failure to make required payments.
   iii) misrepresentation of employment status with the University.
   iv) any parking activity deemed fraudulent by Transportation Services.
(2) permits are issued for the use of the named permit holder only.
(3) to ensure the correct license plate of the vehicle parking on campus is registered to their account.
(4) to update the vehicle license plate registered to their account, in advance of parking on campus, if they choose to use an alternate vehicle. This is solely the responsibility of the permit holder. Should an alternate vehicle be parked on campus, that has not been registered by the permit holder in advance, a Parking Violation Notice (PVN), also known as a ticket, will be issued and will not be withdrawn by Transportation Services under any circumstances.
(5) to park only in authorized parking areas designated by Transportation Services – Individual Faculties and Departments cannot give this permission.
(6) to park in an orderly manner so as to occupy only the space required by the one vehicle.
(7) to pay heed to requests by Transportation Services’ Staff or the Campus Police concerning the parking of the vehicle.
(8) to obey all regulatory traffic signs on the campus.
(9) to obey all traffic directions given by Transportation Services’ Staff or Campus Police.
(10) to park only in the space specified by the permit during normal Working Hours (7:00 a.m. to 5:00 p.m. weekdays) for either a reserved or lot reserved permit.
(11) to follow the student regulations under Section 8, if purchasing a student permit.
(12) to promptly notify, via email, Transportation Services of any change of status, address, office location, email address, telephone number or vehicle information, as entered in your account.

02 Jurisdiction

2.1 These regulations are issued under the authority of the University of Toronto St. George Campus Transportation Services and apply in all parking areas owned by, or administered by, Transportation Services at the University of Toronto St. George Campus.
2.2 All persons using University parking facilities are subject to the regulations detailed hereunder. By accepting a parking permit, applicants agree to abide by these regulations.
2.3 The Transportation Services Director is responsible for the supervision and administration of parking lots. Any questions concerning parking areas should be referred to the Transportation Services office at 416.978.PARK [7275] or transportation@utoronto.ca.
2.4 Neither the University of Toronto, nor any of its employees, shall be held liable for any loss or damage occurred to vehicle or its contents, however caused.
2.5 Speed limits are posted throughout campus. All persons visiting the campus must make note of and obey all posted limits.
2.6 Repeated violations of parking regulations, improper or dishonest use of parking permits, failure to pay fees, failure to comply with the instructions of Parking Control Officers, may result in tickets (PVNs), tows at the owner’s expense, and/or the revocation of parking privileges.

03 Eligibility

3.1 Applicants must provide documentation, or the means for Transportation Services to verify, that they are eligible for parking permits. Transportation Services reserves the right to deny a permit in cases where it is determined that an applicant does not meet the required criteria.
3.2 St. George Campus Faculty/Staff parking permits are currently issued only to University of Toronto active, appointed Faculty, Librarians and administrative Staff.
3.3 Applicants must provide documentation of identity (driver’s license, etc.) and their personnel number, if requested by Transporation Services, in order to receive a Faculty/ Staff permit. Only one permit can be issued to each permit holder.
3.4 In the case of student applicants, they must be currently enrolled as a student at the University of Toronto and provide documentation of identity (driver’s license, etc.) and their T-Card, if requested by Transporation Services, in order to receive a Student permit. Only one permit can be issued to each permit holder.
04 Mississauga (UTM) Parking

4.1 Permits issued by the St. George campus Transporation Services office are NOT valid on UTM property. Please contact the UTM Parking Office for payment options.

4.2 The City of Mississauga enforces UTM’s parking policies, and as such, UTM has no authority to revoke a City of Mississauga Parking Violation Notice. Ticketing issues must proceed through the normal court system.

4.3 Contact information: Mississauga (UTM)
Parking & Transportation Services
Alumni House, Room 108,
3359 Mississauga Road,
Mississauga, ON L5L 1C6.
Tel: 905.828.5254   Fax: 905.569.4885
Email: parking.utm@utoronto.ca
Website: www.utm.utoronto.ca/parking

05 Scarborough (UTSC) Parking

5.1 Permits issued by the St. George campus Transporation Services office are NOT valid on UTSC property. Please contact the UTSC Parking Office for payment options.

5.2 Contact information: Scarborough (UTSC) Parking Services
1265 Military Trail,
Instructional Centre Room I.C. 40,
Toronto, ON M1C 1A4.
Tel: 416.287.7576
Email: parking@utsc.utoronto.ca
Website: www.utsc.utoronto.ca/parking

06 Barrier-Free (Accessible) Parking

6.1 Individuals who possess an Accessible Parking Permit (APP) issued by a Provincial Ministry of Transportation, are NOT exempt from paying parking fees even when parked in a Barrier-Free (Accessible) parking space. Proof of payment is required when parking on University property.

6.2 If you wish to purchase a parking permit, please provide a copy of your APP to Transportation Services staff when making your request. A copy of the APP must be provided each year at the time of permit renewal. Permit holders who have an APP may park in any available designated Barrier-Free parking spaces on University property with the exception of gated lots. If access is required for the 107 St. George Street garage, please contact Transportation Services at 416-978-7275. Any vehicle parked illegally in these specially designated spaces will be ticketed and/or towed at the owner’s expense.

Students requiring parking accommodations should contact Accessibility Services at 416-978-8060 or email accessibility.services@utoronto.ca.

Faculty/ Staff requiring parking accommodations should contact Health & Well-Being at 416-978-2149.
07 Departmental Parking Permits

7.1 Daily, weekly and monthly permits can be bought by departments online. This requires a departmental account as well as credentials, provided by Transportation Services, to access your account. If you would like to purchase permits for your department, please contact Transportation Services to request an account and credentials.

7.2 Rates for daily permits are the same as our rates for P&D machines. Rates for weekly and monthly permits are the same as those for staff/faculty annual permits.

7.3 License plates and permit locations for departmental permits cannot be changed after purchase.

7.4 **Permits cannot be cancelled on or after the start date.**

7.5 Any cancellation of daily, weekly or monthly departmental permits is subject to a mandatory cancellation fee. These fees are applied universally and there are no exceptions. They are as follows:

- Daily: $5.00
- Weekly: $10.00
- Monthly: $25.00

08 Faculty/Staff Permits

8.1 There are three types of Staff permits – reserved lot reserved and unreserved. **Transportation Services reserves the right to alter the type of permit issued with reasonable notice to permit holders.**

1) Reserved permit holders have the exclusive use of a designated lot or space during normal Working Hours (7a.m. to 5p.m.)

2) Lot reserved permit holders park in a specified area, or lot, during normal Working Hours (7a.m. to 5p.m.), but not in a specific space on the lot. However, lot reserved permit holders who must frequently move in and out of the parking lot during the day might occasionally find space unavailable.

3) Unreserved permit holders may park in any St. George Campus unreserved parking lot. This type of permit is only available to current unreserved permit holders for renewal. New unreserved permits will not be issued under any circumstance.

8.2 Parking permits are valid for up to a maximum of a 12-month period from July 1st to June 30th.

8.3 During normal Working Hours (7:00 a.m. to 5:00 p.m. weekdays), permit holders may only park in their assigned lot or reserved space. If the permit holder chooses to park in an area other than their assigned lot or space, where permitted, during normal Working Hours, payment must be made to cover the duration of their stay. Please refer to Section 10 for payment details.

8.4 Outside of normal Working Hours (7:00 a.m. to 5:00 p.m. weekdays), permit holders are entitled to use any available parking spaces, with the exception of 24-hr reserved spaces. For staff and students wanting access to the 107 St. George Garage off hours, it will be necessary to buy an access card as the garage is gated.

8.5 For Faculty/Staff who obtain a permit for the 107 St. George Street garage, an access card will be issued, along with the permit, which will grant access to the facility. The garage’s entrance and exit is controlled by an automated gating system (Pay-on-foot). This access card must be used to enter and exit the facility. If the access card is forgotten, the permit holder must pay for parking at an Autopay station.

8.6 Refunds for additional parking costs incurred due to a permit holder forgetting their access card will not be issued under any circumstances. Exceptions can be made if it is determined by Transportation Services an access card is malfunctioning. However, such requests will be assessed on a case by case basis and refunds will only be applicable for the first day the access card did not work. If a permit holder suspects their access card is not working, it is their responsibility to notify Transportation Services immediately. If they fail to do so, and as a result incur additional parking costs, a refund will not be issued.

8.7 In special cases, departmental permits are issued to departments for the use of their visitors within specified locations. In these cases, the departments in question are responsible for controlling and administering the use of the spaces by their visitors. It is imperative that visitors park only in the designated departmental areas and/or spaces. Failure to do so can result in the issuance of tickets (PVNs) or a vehicle being towed at the owner’s expense.

8.8 Parking permits may be cancelled by a permit holder at any time. A cancellation form must be received by the Transportation Services office on or before the 1st day of the month, in order to avoid the payment for that month. Please contact Transportation Services for details.
8.9 An email or telephone call stating your intent to cancel is not sufficient to effect a cancellation. Payroll deductions will not be stopped, nor will any refunds of prepayments be authorized, until the cancellation form has been received by the Transportation Services office.

8.10 A permit must be cancelled when University employment is terminated. A break in service extending beyond one month (other than for an approved leave-of-absence) is considered to be a termination. Please note that persons re-applying for a permit after cancellation must wait at least two months from the effective cancellation date to re-apply. Additionally, individuals are not guaranteed availability in their desired area.

8.11 All Faculty/Staff permits can only have one primary permit holder. The primary permit holder must abide by the following regulations:
   1) This person will be solely responsible for all payments for the permit. Financial responsibility for said payments cannot be transferred to another staff member for any reason. There are no exceptions.
   2) Transferring an individual Faculty/ Staff permit to another permit holder, or to a Faculty/ Staff member without a permit, for any reason is strictly prohibited. There are no exceptions.

8.12 For permit holders that have a reserved space, you can request that it be Enforced Without Verification. Meaning, any vehicle parked in your space that is not registered to your account will automatically, and immediately, be ticketed and/or towed at the vehicle owner`s expense (the Parking Control Officer on-site will forgo an investigation and proceed directly to enforcement action).

09 Student Permits

9.1 A limited number of Student permits are issued on a first-come-first-served basis to currently enrolled Students holding a valid TCard.

9.2 A Student sales schedule for the year is available online at https://transportation.utoronto.ca. In all cases, permit sales begin well in advance of the first of each month. When renewing permits, students are expected to purchase their next permit before month end. Once a permit expires, if a new permit has not been purchased, the student must pay for daily parking or they will be ticketed and/or towed at the owner’s expense. There will be no reimbursements for daily parking when the new permit is purchased, nor can the daily parking fee(s) be applied to the cost of the new permit. There are no exceptions.

9.3 The University of Toronto Transportation Services provides both surface and underground parking for students. Permits may be purchased monthly, or on a 4-month (September - December, January - April and/or May - August), or 8-month (September - April) period.

9.4 Underground parking is available in the garages located at: 107 St. George Street (below the Innis Residence/Rotman School of Management); the Graduate House Residence at 17 Glen Morris Street; and, O.I.S.E. at 71 Prince Arthur Avenue. Unreserved surface parking is available at 371 Bloor Street West behind University of Toronto Schools. Please note that in an unreserved parking lot, if it is at full capacity, student permit holders will have to wait until space becomes available. They cannot park in an alternate parkign lot. Unreserved permits are only valid at their designated parking lot. Using the permit to park at any other campus location will result in a ticket (PVN) being issued. There are no exceptions.

9.5 Reserved permits are sold on a monthly basis only and are available at various locations throughout the campus. A Student may renew this permit only on the business day prior to the scheduled sales date (see section 8.2). All permits not renewed will be made available to all Students on the scheduled sales date on a first-come-first-served basis. If a Faculty/ Staff member wishes to purchase a reserved space that has already been purchased by a Student, the Faculty/ Staff member has priority and the student shall not be allowed to renew the permit. However, if possible, depending on availability, they will be offered another space prior to the scheduled sales date.

9.6 Student parking permits are NOT transferable and are only valid for the location issued during normal Working Hours (7:00a.m. to 5:00p.m. weekdays). If a Student parking permit holder does not park in their applicable area during the normal Working Hours, they will be ticketed and/or towed at the owner’s expense. From 5:00p.m. to 7:00a.m. the following day, and all day on weekends and Statutory Holidays, the parking permit is valid at all other University parking lots on the St. George Campus with the exception of 24hr reserved spaces.
9.7 The permit holder must ensure the licence plate of the vehicle they are parking on campus is registered in their account. The license plate is the only means for enforcement staff to confirm a valid permit has been purchased. If the plate in the permit holder’s account does not match the plate of the vehicle parked, a ticket (PVN) will be issued and/or the vehicle towed at the owner’s expense. There are no exceptions and no withdrawals.

9.8 If a Student wishes to cancel their permit, they must fill out a cancellation form and return it to the Transportation Services office (either in person or via email to transportation@utoronto.ca). An administrative fee applies to all cancellations. In cases a permit is cancelled on or after the start of the month, a daily charge is also applicable for the number of days that the permit is valid.

9.9 Student permits are valid only at the campus where they are issued.

10 Commercial Permits

10.1 Commercial parking permits are available to a limited number of service people and contractors for specified areas only. These permits are only supplied when parking is essential in the performance of the work. They are not issued for the convenience of contractors’ staff to transport them to and from the University. Applications will only be processed, and a permit issued, if the required criteria is met to the satisfaction of Transportation Services.

10.2 At any time, either before, while or after a commercial permit is issued, Transportation Services reserves the right to request proof and/or a means of verifying that you are working on a U of T construction site. If sufficient documentation is not provided, Transportation Services reserves the right to revoke any or all parking privileges on University property.

10.3 Commercial parking permits may be purchased by the week or the month. Contractor parking is subject to special regulations. They include, but are not limited to, certain restrictions. Under no circumstances are commercial permits valid in reserved spaces or lots, Lot A (Myhal Centre - 55 St. George) and Lot B (Physics – 60 St. George) during normal Working Hours (7:00a.m. to 5:00p.m.). For more details, please contact the Transportation Services office.

10.4 Permits are sold on a monthly and/or weekly basis with a start date of permit holder’s choice. A permit may be cancelled at anytime by submitting a cancellation form to the Transportation Services office. An administrative fee will be levied for all cancellations. When cancelled, a per day charge is applicable for the number of days the permit is valid for during the active monthly/weekly period, determined by the permit’s start date.

Commercial permit holders who require parking at the 107 St. George Street Garage will need to purchase an access card (non-refundable) in order to gain access to the facility.

11 After 4pm Permits

11.1 After 4 p.m. parking permits are issued to Faculty, Staff, Students, and Visitors to park in any authorized parking areas Monday to Friday (from 4:00p.m. to 9:00a.m. the following day) except for Reserved numbered spaces where parking is permitted only between 5:00p.m. to 7:00a.m. the following day and all day on Saturday, Sunday and Statutory Holidays. Parking is prohibited in 24hr reserved spaces.

11.2 Permits are sold on a monthly and/or weekly basis with a start date of permit holder’s choice. A permit may be cancelled at anytime by submitting a cancellation form to the Transportation Services office. An administrative fee will be levied for all cancellations. When cancelled, a per day charge is applicable for the number of days the permit is valid for during the active monthly/weekly period, determined by the permit’s start date.
After 4 p.m. permit holders who require parking at the 107 St. George Street Garage will need to purchase an access card (non-refundable) in order to gain access to the facility.

12 Conference Permits

12.1 Conference permits are available to visitors of the University staying in a residence on campus. They may be purchased by the week or by the month. Proof of residence must be provided at the time of application. For more details, please contact the Transportation Services office.

12.2 Permits are sold on a monthly and/or weekly basis with a start date of permit holder’s choice. A permit may be cancelled at anytime by submitting a cancellation form to the Transportation Services office. An administrative fee will be levied for all cancellations. When cancelled, a per day charge is applicable for the number of days the permit is valid for during the active monthly/weekly period, determined by the permit’s start date.

Conference permit holders who require parking at the 107 St. George Street Garage will need to purchase an access card (non-refundable) in order to gain access to the facility.

13 Motorcycle Permits

13.1 Motorcycle parking permits are issued to Faculty, Staff, and Students. For more details, please contact the Transportation Services office.

13.2 Permits are sold on a monthly and/or weekly basis with a start date of permit holder’s choice. A permit may be cancelled at anytime by submitting a cancellation form to the Transportation Services office. An administrative fee will be levied for all cancellations. When cancelled, a per day charge is applicable for the number of days the permit is valid for during the active monthly/weekly period, determined by the permit’s start date.

14 External Permits

14.1 Permits for non UofT affiliated personnel are available at the O.I.S.E. parking garage located at 71 Prince Arthur Avenue. These monthly and annual parking permits are valid for up to 12 months starting from as early as July 1st to June 30th of the following year. When purchasing an annual permit, payment must be made in full in advance. There are no exceptions. Monthly permits are paid on a month-to-month basis. Parking permits may be cancelled by the permit holder at any time. A cancellation form must be received by the Transportation Services office on or before the 1st day of the month for which cancellation is required in order to avoid the payment for the said month.

15 Staff Permit Cancellation Policy

15.1 Permit holders may submit a cancellation request (via email and attaching a scan of the Transportation Services cancellation form) for their permit at any time. Cancellation requests must be received by the Transportation Services office on or before the 1st of the month (or the last business day of the month if the 1st falls on a weekend or statutory holiday), so there will be no charge for that same month.

15.2 Once the permit is expired in our database, parking on University property will require payment at a Pay & Display machine or use of the pay-by-phone app, Whoosh. There is no area, time or circumstances that allow for free parking on campus. Proof of purchase must always be verifiable by Parking Control Officers. Failure to do so will result in a ticket (PVN) being issued to such unauthorized vehicles.
15.3 A telephone call or email to the Transportation Services office, signaling your intent to cancel your permit, is not sufficient to effect a cancellation. Payroll deductions will not be stopped, or refunds of prepayments authorized, until a Transportation Services cancellation form has been sent to transportation@utoronto.ca or a staff member employed within the department.

15.4 A permit must be cancelled when university employment is terminated. A break in service extending beyond one month (other than for an approved leave-of-absence) is considered to be a termination. Permits cannot be cancelled for a period of less than two months.

16 Pay & Display Parking

16.1 Pay & Display parking is available at various locations throughout the University. Pay & Display receipts are valid only for the location for which they are issued and are non-transferable. Hours of eligibility and rates are posted at Pay & Display machines. For locations and further details, please refer to our website at www.transportation.utoronto.ca.

16.2 Failure to display a Pay & Display receipt will result in an issuance of a ticket (PVN) and/or a tow of the vehicle at the owner’s expense regardless of a ‘failed’ or out of order Pay & Display machine.

16.3 It is the responsibility of the individual purchasing a cash receipt to ensure it’s for the correct amount. A digital display shows the expiry date and amount to be paid. Check both before printing and processing payment. Up to seven (7) days of parking can be purchased on one cash receipt. So it is possible to exceed the daily maximum. If one or both of the time or maximum time buttons are pressed multiple times a payment of up to $99.00 maybe be due.

16.4 Refunds for individuals making overpayments will be assessed on a case-by-case basis. Transportation Services reserves the right to refuse any and all requests. In all cases, an administrative fee will apply.

17 Pay-on-Foot Parking (107 St. George Garage)

17.1 Pay-on-Foot parking is located at the 107 St. George Street garage. A ticket is obtained at the entrance and payment is required before exiting the garage. Payment can be made at the Autopay station using cash, coin, and credit card before returning to their vehicle or at the exit with a credit card. Failure to produce your original ticket at the time of payment will result in having to purchase a “Lost Ticket”.

18 Pay-by-Phone Parking (Whoosh App)

18.1 Pay-by-phone (Whoosh) parking is now available at various parking areas. More information on Whoosh is available on our website at http://transportation.utoronto.ca and at www.whooshstore.com.

18.2 When using pay-by-phone, a receipt does not have to be displayed and a convenience fee is charged for each transaction.

19 Payment for Permits

19.1 Payment for Faculty/Staff parking permits may be made by Payroll Deductions, Visa, Mastercard, American Express, or Debit Card. If payroll deduction is requested, but cannot be implemented, pre-payment for the year is required.

19.2 If payment is made by credit or debit card, full payment must be made in advance prior to the issuance of the parking permit.

19.3 In cases where departments are paying for parking space, the authorization of the Principal, Dean or Director is needed on the Application/Renewal Form as well as a valid departmental appropriation account number, with the name of the person in the department who may authorize a debit memo for this purpose.

19.4 Payment for Student permits and Conference permits may be made by Visa, Mastercard, American Express, or Debit Card.

19.5 Payment for After 4p.m. and Commercial permits may be made by Visa, Mastercard, American Express, or Debit Card.
20 Parking Rates for 2020-2021

20.1 The parking rates for 2020/2021 are summarized in Appendix III. These rates include the Harmonized Sales Tax (HST).

20.2 Pay & Display, Pay-on-Foot and Pay-by-Phone (Whoosh) parking rates may be adjusted from time to time depending on market conditions.

21 Surveillance and Enforcement

21.1 Parking Control Officers carry out routine surveillance of all parking areas on the St. George Campus, 24 hours a day, 7 days a week. Vehicles that do not have a valid, active permit registered to their account or a Pay & Display receipt (or paying through Whoosh) may be ticketed and/or towed at the owner’s expense.

21.2 Tickets (PVNs) are issued in accordance with city by-law regulations. Transportation Services has no authority to rescind parking tickets. The City of Toronto does not allow the University to request withdrawals of any tickets unless an error has been made by the issuing officer.

21.3 Any vehicle improperly parked, or parked in an unauthorized location, may be tagged by Parking Control Officers and/or towed away at the request of a representative of Transportation Services, the Campus Police or Toronto Metropolitan Police. The owner of a vehicle towed away under such circumstances shall be liable for any costs incurred thereby.

21.4 University of Toronto policy stipulates that smoking is prohibited in all University buildings. This applies to all individuals using University of Toronto facilities including Employees, Students and Visitors. All parking garages and lots are designated as ‘non-smoking’ facilities, and, as such, smoking is not permitted on the premises. This policy is enforced under municipal by-law.

22 Special Circumstances

22.1 Except under extenuating circumstances agreed to by Transportation Services, only vehicles licensed to Faculty, Staff or Student permit holders required to live on the St. George Campus may be left on the campus overnight. Storage of vehicles on campus is not allowed at any time.

22.2 Should it become necessary to move an authorized parked vehicle to facilitate snow removal operations, this will normally be done without charge to the owner.

22.3 Where necessitated by special events or other circumstances, Transportation Services reserves the right to relocate permit holders within the St. George Campus. Any vehicles, not moved out by the deadline on the notices issued, will be towed at the owner’s expense.

APPENDIX I

Parking Safety Tips

The time when many people feel most vulnerable is when they are either leaving or returning to a parked car – particularly at night.

• Always remove the car keys and lock your car.
• Never leave items (i.e. electronic devices such as GPS units, lap-top computers, personal listening devices; personal bags such as purses, gym bags etc.; or any money including change) visible in the car. Put them where they cannot be seen – and make sure they do not have your name or address on them. Never leave credit cards in the car.
• Choose your parking spot carefully. Always park in well lit areas, as close as possible to your destination, the parking attendants, the stairs or elevator. Avoid parking on garage levels that are empty or rarely used.
• If you do not know the parking lot well and are worried about its safety, drive right through to see if everything appears normal before you park. If it does not feel right, trust
your instincts. Either leave and find somewhere else to park, or drive around until someone you know drives in; then park near them, and leave the lot or garage with them.

- When parking, back your vehicle into the parking stall, so that you are facing “out” whenever you enter or exit your vehicle. This tactic both increases your visibility of the surrounding area and also allows you to drive away more quickly if you are being approached by a stranger.
- Before you leave the car, look around carefully. When you do leave the car, walk briskly and confidently to the exit or elevator. Do not be distracted.
- If you are worried about becoming a target, vary your routine. Park in different spots, at different times. Avoid a predictable schedule.
- If you are driving and parking alone, join a car pool or have someone meet you.
- If you are nervous when returning to your parked car, ask someone you know and trust to accompany you.
- If, on the way to your car, you see that another vehicle has been broken into, call the police right away - do not go to your own car. Tell the police where you are and remain in that location until they arrive. The University of Toronto Police emergency telephone number is 416.978.2222.
- When you are returning to your car, have your keys in your hand - avoid fumbling through your pockets, purse or briefcase in the middle of a deserted lot. Before getting into your car, check inside carefully - especially the back seat. Once inside, lock the doors immediately, and make sure that your purse, briefcase or other valuables are out of sight.
- Know your nearest safe exit route.
- Report intruders to a Parking Control Officer or to the Police.
- You can report the following to the Parking Control Officer: abandoned vehicles or excess trash; broken or burned out lights; broken doors or broken locks; and, missing or damaged signs.

APPENDIX II

Parking Rates 2020/2021

St. George Campus

Effective July 1, 2020

All prices include HST
HST Registration #R108162330

Faculty/Staff Permits

Reserved
annual..............................$2,700.00 to $4,200.00
per month............................$225.00 to $350.00

Lot Reserved
annual..............................$1,920.00 to $3,840.00
per month............................$160.00 to $320.00

Unreserved
annual.................................$1,740.00
per month.................................$145.00

Mississauga (UTM) & Scarborough (UTSC) Permit Surcharge
per month...............................$60.00 to $90.00
**Student Permits**

- **Reserved**
  - Monthly: $225.00 to $290.00
- **Lot Reserved**
  - Monthly: $160.00 to $320.00
  - 8-month: $1,280.00 to $1,480.00
  - 4-month: $640.00 to $740.00
- **Unreserved**
  - Monthly: $145.00
  - 8-month: $1,160.00
  - 4-month: $580.00

*4-month permit (Sept-Dec, Jan-Apr & May-Aug)*  
*8-month permit (Sept-Apr, only)*  
*Monthly permits (by calendar month and subject to availability) - sale dates T.B.A.*
